

Clallam County's new multiorganizational care coordination team

What we provide

Multiorganizational care coordination to improve access to services, referrals, and health outcomes

Client focus areas

- Complex chronic disease including serious mental health and substance use disorders
- Repeat 911 or emergency department use
- History of repeat hospitalizations or risk of hospital readmission
- History of disjointed or discontinuous care
- Risk of suicide

Who we are

- Clallam Care Connection was initiated by North Olympic Health Network, and Port Angeles Fire Department with support from Olympic Community of Health
- JOIN US! For more information contact Mel Melmed at 360-633-9116 or mel@olympicch.org.
