

## Healthy People, Thriving Communities

When neighboring counties, tribes, and sectors work in alignment, we create better health outcomes for everyone. Olympic Community of Health (OCH) prioritizes population health in the Olympic region by providing opportunities for collaboration, peer learning, and Medicaid Transformation Project support. OCH challenges local partners to rethink the way health is addressed and fostered, ultimately co-creating a region of healthy people, thriving communities.

OCH Partner Successes:

Integrated Care	Jail & Emergency Diversion	Opioid Response	Reproductive & Child Health	Oral Health	Chronic Disease Prevention
Kitsap Medical Group hired a psychiatrist, allowing them to provide virtual psychiatric services.	Peninsula Community Health Services in Kitsap County integrated Community Health Workers into the local jail and emergency department.	Sophie Trettevick Indian Health Center launched the Six Building Blocks program, reducing the number of patients prescribed long-term opioids.	Forks Community Hospital hired a midwife, increasing access to maternity services in the west end of Clallam county.	North Olympic Healthcare Network expanded medical walk-ins to include oral health screenings.	Olympic Area Agency on Aging & OlyCAP partner with primary care providers to offer chronic disease self-management programs.
					

## How does Medicaid Transformation work?

### Olympic Community of Health...

#### Distributes funds

Through contracts, participation, and reporting, OCH distributes funds from the Health Care Authority to partners.

#### Facilitates collaboration

OCH hosts trainings, convenings, and workshops to create spaces for partners to share, learn, and collaborate.

#### Voice of the Olympic region

When convening with the other eight Accountable Communities of Health in Washington and the Washington State Health Care Authority, OCH advocates for the needs and efforts within the Olympic region.

### Implementation Partners...

#### Advance the mission

Partners enable change within the community. OCH is here to support, guide, and fund the innovative projects occurring on the ground.

#### Represent unique communities

Combining perspective with neighboring organizations, sectors, and tribes, enables greater awareness and creative problem-solving.

#### Provide valuable insights

Partners earn funds through reporting. Partner reports and site visits provide OCH with feedback and updates that allow them to report to the state with accurate regional updates.

### The Olympic Region

OCH's reach includes Clallam, Jefferson and Kitsap Counties. We are in the territorial lands of the Sovereign Nations of the Hoh, Jamestown S'Klallam, Lower Elwha Klallam, Makah, Port Gamble S'Klallam, Quileute, and Suquamish Tribes.
